

Puretec Ecotrol™ EM1 Series

Whole House Single Water Filter System

These systems provide peace-of-mind throughout the house, reducing taste, odour, chemicals and sediment in your water. This system protects and prolongs life of appliances throughout your home. Enjoy purified water at every outlet in the house.

The Puretec Ecotrol™ EM1 Series systems are designed for the budget-conscious householder, giving good general purpose filtration. These systems do not require power to operate. Very easy to maintain, just replace the filter cartridge when the taste and odour returns or every 6 months.

Features and Benefits

- Designed for alternative water supplies
- No power required, no moving parts, easy to maintain.
- Dual purpose carbon cartridge that removes both sediment and bad taste & odour.
- Can be used for both mains and rainwater supply.
